HOTEL EXPERIENCE

Safety, cleanliness and comfort have always been our top priority. In response to changing times, we developed comprehensive cleaning and physical distancing protocols, as well as revised service offerings to make your meeting safe and comfortable.

Enhanced Cleaning

All staff are trained on new sanitizing techniques especially in high traffic areas and high touch surfaces. Hand sanitizers are provided throughout all public spaces in the hotel.

Physical Distancing

is practiced with new meeting and public space floor plans and reduced seating based on your group needs.

Personalized Meeting Experiences

are enjoyed at the Beach House. Due to size limitations your event will feel like the only group in house.

Front Desk

has implemented a stringent, streamlined check-in and check-out process which maintains social distancing and limits direct contact.

Bellman Services

will be provided if requested. Bell carts are sanitized after each use and luggage is sanitized upon delivery to guest rooms. The hotel offers secured valet-parking at a daily or nightly rate for all meeting attendees..
